Dear Josh:

I find that I am not really clear on what you decided concerning my data. Do you want me to send the tapes on to you, or just how do you want to leave the matter? I do hope you will be interested in utilizing this material, if there is any reasonable possibility of its being useful to you. It was good seeing you in New York although we had very little time together.

With all best wishes,

As ever, yours,

Tracy
